COMPONENTS COVERED

Because we cover so many components, it is not possible for us to list everything that falls under our coverage.

NOT COVERED

Instead, we list a small number of parts that are not covered: oil, brake shoes, belts, hoses, tires, tune-up items, filters, a/c coolants, exhaust and emission parts, sound reproduction, collision avoidance, lane departure warning system and safety restraint system, lighting, cosmetic and body parts, glass and paint. See contract for complete listing.

Complete terms and provisions are contained within each Service Agreement. Please refer to your Service Agreement for complete details. LABOR: All agreements provide for the reasonable and customary payment of labor. This brochure is not intended to provide in depth information about all plans available. It only provides a basic overview of the Route 66 plans.
